Sisterly Note to Sorors

My Dear Sorors,

I greet you as a Silver Star and Life member of our illustrious sisterhood. Initiated in Mu Chapter at Allen University, Columbia, South Carolina, in 1999, and presently a member of Kappa Upsilon Omega Chapter, Aiken, South Carolina; I have served the sorority for twenty-five years with uninterrupted service. My career as a Human Resource Business Partner has given me the privilege to engage professionally with the community through fund-raising for health-related causes and assisting many with career planning.

Because of my love for Alpha Kappa Alpha Sorority, I have made the decision to serve the sorority in a leadership capacity that would afford me the opportunity to enhance the organization's nominating process and encourage or hopefully inspire other sorors to participate more fully in all levels of the sorority as well. My chosen slogan: "E3: Energize, Elevate, Empower" expresses my belief that our beloved sisterhood was created to permit college trained women of like minds to unite to serve our organization with dedication and tenacity to impact the lives of others in the communities in which we live.

Hence, it is my aim to involve every soror of the organization by energizing, elevating, and empowering sorors with leadership skills that will permit them to consequently render service with greater zeal and commitment.

Further, it is my vision to help maintain the integrity of the campaign process by making certain the certification, campaign and election process are executed effectively and with fairness. That is my vision and I am requesting your support in this endeavor. Together, we can make that vision a reality. Therefore, I humbly ask for your support and your vote!

Sisterly,
Soror Velice
